TIME TO BEGIN

Beginning at 8 o'clock on Tuesday, August 28, the students of WHS started a year which was to be "the Best of Times." Freshmen entered with high hopes and goals to achieve during high school. The Seniors dreamed of the day they have waited for since the first days as Freshmen-Graduation! All students prepared for Homecoming, the dances, the get-togethers, and all the sporting events. Who will be Mr. Football? Sectional Sweetheart? What class will win the "Spirit Stick?" These were just a few thoughts going through everyone's mind.

Looking ahead can start one thinking of all the fun times to come and the memories yet to be created. With all this and more in mind, the students and faculty of WHS decided to make the 1990-1991 school year "the Best of Times."

TIM TO MA MEMO

MEMORIES

UNLIMITED SPIRIT

Homecoming this year has had an innumerable amount of remarkable and memorable times. There were certainly many important changes that took place this Homecoming season. During our well-known Spirit Week, students cheerfully decorated their class hallways and floats. The senior's theme for their hallway was also used for their float, which was the "Spirit of '91." "Madam Know-It-All Forsees a Victory," was the theme of the junior's hallway, and "Pioneer Days are Over," was the theme of their float. The sophomores heated up the spirit with their theme, "Fire Us Up a Victory," and lastly the freshman with, "Make Them Wish Upon Our Star."

Aloha Whiting High students! A multitude of colorful tropical prints roamed the school on Monday, Hawaiian Day. Don Ho would have felt at home. On Tuesday with Hawaiian shirts stripped--- pocket protectors, geek glasses, and floods were in vogue for Nerd Day. Wednesday, it was a dream come true for every student, because it was Pajama Day. For once, no one had to worry about getting ready for school. Thursday left students confused about which "bathroom" to use. Opposite Sex Day was probably the most interesting day of all, if not strange. Guys were girls and vice versa. Traditionally, Friday was Green and White Day. Every morning, the spirited participants congregated in the gym to be counted. This was different from other years, because students who dressed up, now added points toward the Spirit Can.

The annual Homecoming parade was launched in the evening on Friday. The bonfire's flames surged through the chilly Whiting Park air as a pep session was held in the pavilion. As the people received their icy-cold pop and tasty sloppy Joe's, they listened to the upbeat sound of, "Lakeshore." Everyone talked enthusiastically about the events to come the next day.

Former Mr. Football, R. Rodriguez, awards S. DelReal with this honor.

Freshman T. Bayless helps decorate the hallway.

"We've got spirit, how about you?"

The winning club car, "Bartman".

The biggest change of the whole week was the afternoon Homecoming football game against Clark. We lost 28-0, but the beautiful autumn day was enough to satisfy anybody at the game. It was quite a different experience playing under the sun instead of the evening stars. Jennifer Plemich was especially over-joyed as Sergio Del Real, Mr. Football, crowned her Homecoming Queen.

Sophomore J. Magallanes makes sure the bulletin board is perfect.

Oh no! Look at those nerds!

Seniors J. Allard and J. Delgado cheer on their teammates.

Juniors T. Martin and J. Verta are the perfect couple.

Climaxing the week was the dance held on Saturday night. "Unchained Melodies," was the theme of the dance, where all the spirited students of Whiting High School brought their exciting week to a close. The week was certainly full of new and wonderful experiences.

UNLIMITED PRIDE

SCROOGE COMES TO WHITING

The Cratchit family poses for a portrait.

Scrooge (Damian Semon) finishes his dinner before retiring to his bed.

The Undertaker's man (Aaron Pinney) gives the Pawnbroker (David Livingston) his treasures.

The Christmas Carolers smile during the holiday season.

A successful play always lifts Tiny Tim (Corey Taylor) and Bob Cratchit's (Steve Racine) spirits.

The Ghost of Christmas Past (Amanda Zajac) reminds Scrooge of the true meaning of Christmas.

This year Whiting High School was fortunate enough to put on a Christmas play, and what better way to celebrate the festive holidays then by recreating Charles Dickens' novel A CHRISTMAS CAROL?

With November 30, December 1 & 2 as the play dates, Dotty Negovetich along with the cast of 18 members was determined to make the play a success. Strenuous hours of rehearsing lines, learning blocking, and having patience paid off and gave the cast a feeling of achievement.

Friendships and feelings were created which made this play special. Even though this was not the first time that Whiting has put on a Christmas play, it is also not the last since it is going to become another great tradition at Whiting High School.

"Whose children are they?" asks Scrooge (Damian Semon) to the Ghost

of Christmas Present (Gina Milcarek).

Who's going to be the lucky couple and kiss under the mistletoe?

"... Wish Upon A Star"

Are these couples "wishing on a star"?

On January 19, 1991, students and couples gathered in the girls' gym for the annual Winter Formal dance, titled "...Wish Upon A Star". This year's dance was again sponsored by the Student Council.

When not dancing to the music provided by Brian Kelly, formerly of Z95 radio station, students were able to purchase pop or even "capture the moment" by having their picture taken by Mr. Lovasko.

Contrary to past winter formals, this year's dance was no longer a turnabout. Students were allowed to either go stag or with a date. Also, because of the uncertainty of attendance, decorations had to be returned.

Despite the changes, the spirit of the dance was not dampened at all. Most students received free Z95 T-shirts as they departed from the dance.

Some students carried on the special night by going to downtown Chicago or to other favorite restaurants.

If one was either with friends or with a date, the night was quite an enjoyable and successful event.

B. Reel and H. Castle share a silly moment together.

E. Raines, T. Bucsko, D. Jamroz show off their sense of fashion.

These girls sit and discuss their plans for after the dance.

A group of underclassmen jam to the sounds of Brian Kelly.

Showing off their T-shirts are A. Cox, Godinez. S. Milch, L. Vrabel, L. Magro, and G.

J. Aquilera and K. Rusnak are a very stylish couple.

These couples look like they are having a good time.

S. Del Real and T. Strabavy enjoy each other's company.

Out on the dance floor are S. Maleckar and J. Lawson.

Waiting for the next slow dance are G. Renda and J. Plemich.

FROM VALENTINES TO VICTORY

From Valentines to Victory the 1991 Sectional game had LaPorte La Lumiere seeing red. This heart-shaped tradition was filled with the students' sweet anticipation of the announcement of Sectional Sweetheart and Mr. Basketball. At halftime the suspense melted away as Gina Milcarek and Brian Reel received the honors. The Oilers crunched their opponent and walked away tasting the sweetness of success.

The Sectional Sweetheart dance, sponsored by Booster Club, was held on Saturday, February 23. The evening was filled with love and friendship as the students ecstatically danced to the music of Penguin Productions.

Booster Club President, A. Sandrick, announces the results.

"Togetherness" is the theme of the junior class.

Senior, J. Plemich catches the memories of the dance with the video camera.

Sophomores L. Vrabel and G. Godínez make sure their song requests are played.

These gals know how to jam.

The crowd eagerly waits for the announcements.

L. Martinez shows us how to get down.

PREPARE YE THE WAY OF THE LORD

TA-DAH!

Jesus dies on the cross to fulfill what the prophets have written.

H. Castle takes notes for Dotty while watching a dress rehearsal.

Jesus listens tentatively as members of the cast perform "By My Side."

The cast demonstrates how the good Lord makes the sun rise.

Jesus presents a living altar to His Father in heaven.

A. Zajac, P. Buranosky and J. Plemich demonstrate that our hardships here on Earth are "All for the Best."

While J.R. Ford basks in the limelight, P. Buranosky kindly escorts him off stage.

B. Bush, A. Sandrick, and P. Buranosky apply make-up to celebrate the coming of the Lord.

"Prepare Ye the Way of the Lord."

This year Whiting High School Drama Department's spring production was "Godspell." The show is a presentation of the Gospel according to St. Matthew. "Godspell" is an alternative way of showing how the story of Christ, and the parables apply to modern day life. Cast members acted out the parables using today's slang in order to make the Gospel more understandable. The fun and

energetic show was complemented by the colorful costumes and set.

Once again, the spring play was directed by Dotty Negovetch who coached the cast on improvisation which is an essential aspect of "Godspell."

The music is a modern-rock style which was skillfully played by the orchestra. For the first time at Whiting, the orchestra included an

electric guitar and synthesizer. The cast, stagecrew, and orchestra all formed a "family" which was apparent when the curtain went up and the house filled with applause.

Whiting High School's production of "Godspell" was a truly memorable experience for not only the cast and crew, but also all who attended.

CARIBBEAN NIGHTS...

Memories are all that is left from the 1991 prom.

S. Strabavy, A. Witczak, L. Radford and T. Traczyk provide entertainment for the night.

As the biggest highlight of anyone's high school years finally arrived, plans and preparation for the prom were already long in progress.

The Junior class worked together through hectic and long frustrating hours to make this event a success. It surely paid off in the end because the Junior-Senior Prom held on May 18, 1991 was a spectacular one.

Pre-Prom festivities began at 6:30 p.m., and as the couples were announced, they had the honor of walking through the image of a sunken ship on a deserted Carib-

A large crowd of admirers gathered at Pre-Prom.

bean island.

Afterwards, the couples ventured off to Jonathans where they were served a tasty dinner, as they enjoyed a night of fun filled activities and entertainment provided by the musical group BANG.

The goal of the Junior class was fulfilled. With the atmosphere of ships, treasures and deserted islands, the Prom couples felt like they were spending a night in the Caribbean.

Spending their last prom together are M. Jacusis and C. Cox.

YET, ANOTHER PERFECT PROM

Walking through the Caribbean Paradise are T. Bartley and R. Shane.

T. Verta and A. Zajac look for their cards showing that they're drug-free.

Homecoming was the first item on the busy schedule of the 1990-91 Student Council. The Homecoming dance and the holding of elections for Homecoming queen and Mr. Football were sponsored by the Student Council.

Lockers were decorated with red ribbons as students pledged to be drug-free for Drug-Free Day. Ribbons adorned the school once again, except this time they were

yellow. The yellow symbolized the hope for peace for the war in the Middle East. There was a cut-out paper bow in every window in the school. Local businesses and residences also proudly displayed bows in windows to show their support for the troops.

The first major activity of 1991 was the Winter Formal, again sponsored by the Council for the fourth consecutive year. In early May, blood bags were prepared,

forms filled out, temperatures were taken, all for the Red Cross blood drive. Members helped out in practically every area of the drive, including members who were able to give blood.

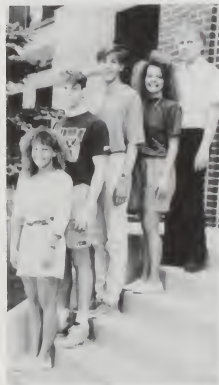

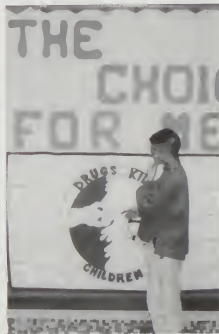

All the activities that the Student Council took charge of, were all successful. This was quite a busy year for the members and their sponsor Mr. Vrabel. It definitely proved that this Student Council was a team of action.

Reflecting On Times Past

Hey everyone, check your calendars! The year is almost over and the REFLECTOR staff has been extremely busy. The main issue is time...

Time is a necessary factor in this class. We focus on our work, making sure it is all done on time to turn in for the deadlines. We have to also make sure each of us has done it as perfect as possible. It certainly takes a lot of time and dedication to do our best so everyone can enjoy the yearbook.

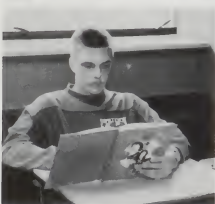

It is not easy, but the reward is satisfying when we all look at our yearbook. If you visited this class I'm sure you would see our proud and smiling faces as we glance at the pages.

Even though time flies by, we hope we have captured the most important moments in our 160-page yearbook.

The 1990-1991 REFLECTOR staff.

Hot off the presses and into the hands of the Oilers! This year the TATTLER staff once again made sure that the Oilers were informed on the latest news stories here at Whiting.

This year brought many changes in the format of the TATTLER. This was the second year the TATTLER was produced with the aide of a computer. As a result, the paper's appearance was transformed and with each issue improvements could be seen.

The responsibility of Editor-in-Chief was given to Jenn Plemich who kept the paper production running smoothly along with the graphic arts' department. In addition, Ms. Guaccio and the entire TATTLER staff truly made the TATTLER the "Voice of the Oilers."

Bound for Indy

Taking a first at Wheeler was the Fine Arts Team.

Helping with the Halloween balloon fundraiser is E. Flores.

"This it it, guys," think seniors, K. Haney, P. Buranosky, and J. Plernich, while entering the bus for the Wheeler meet.

"I think the answer is..." explains B. Gibson.
Bush to teammates K. Haluska and D.

Dante's Inferno, work of arts by Michaelangelo, and the Medici family of Florence are just a few topics studied by this year's Academic Team. This year's theme was the Italian Renaissance.

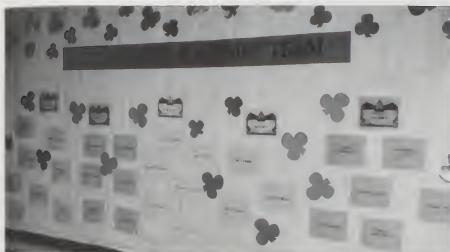

Once again the team sold various colors of carnations for Valentine's Day. Also for the first year, balloons were sold during Halloween. This money was used for team sweatshirts and the annual pizza-study party before the Wheeler competition.

There were two competitions in which the team competed. The first competition was held in March at Munster. No team placed, but

Munster prepared them for the next one. On April 16, our team traveled to Wheeler High School for the area meet. Three teams earned ribbons here. Among six schools, the Social Studies team placed second and both the English squad and Fine Arts squad received first place titles. The English team scored high enough at Wheeler to qualify for state. For the second year in a row, Whiting High School has sent a squad down state. This year we might be able to bring home a state title. Whiting's Academic Team is truly "bound for Indy."

W.H.S. wishes the Academic Team Good Luck.

No, A. Timko, all those flowers aren't for you.

With a sigh of relief, the Social Studies Squad takes a time-out after the meet for a photo.

1st Semester High School Choir

Using their musical talents, the Whiting High School band spreads Christmas cheer.

This year there were two new faces in Whiting High School's music department. Both the choir and the band were under new direction which brought about many changes. The choir was under the direction of Miss Cochran while Mr. Kuhntz directed the band.

The band performed at parades, concerts, football games, basketball games, and graduation. Though Whiting's band is small in size, what they lack in size they make up for in talent.

The choir underwent many changes this past year including the formation of a swing choir. This gave the choir a chance to wear costumes instead of the traditional

robes. In addition, this year the band and choir held their concerts separately instead of together as was done in the past. The choir also performed at various concerts and functions throughout the year including on WJOB and at the Kiwanis top ten banquet.

This year the Whiting High School Pom Squad was sponsored by Ms. Milch and proved to be successful. They performed at various occasions throughout the year, but their big performance was at the 1990 Homecoming game.

With all the change came the many benefits of progress which was greatly appreciated by the students.

J. Hanis, M. Jacusis, J. Gianotti, T. Strabavy.

P. Buranosky lights a candle to remind the new inductees that scholarship is

an essential quality in a NHS member.

H. Castle and K. Haney help Mr. Daniels welcome the new initiates.

The National Honor Society is an elite organization at Whiting High School. Out of the Junior and Senior classes, approximately 11 new members are initiated each year. This year 9 Juniors and 2 Seniors had the honor of being accepted into this organization. The new members are chosen by a committee of teachers who judge the students on scholarship, character, service, and leadership.

This year the National Honor Society sponsored a "Farewell To Seniors" dance on May 6th which proved to be very successful. In addition, the National Honor Society once again sponsored the annual Thanksgiving food drive. All the homerooms competed to see who could bring in the most cans. After the final count, Mr. Haydock's homeroom brought in the most cans and won the trophy. But it really didn't matter to the students who won the trophy, because they knew they were helping out a good cause.

Through all their activities, the National Honor Society members certainly proved that they are the "Cream of the Crop."

M. Jacusis and J. Gianotti take the National Honor Society oath.

Mr. Blake explains to the parents what it means to be a National Honor Society student.

The initiates hold a candle to signify that they understand their responsibilities as NHS members.

THE MAGIC OF DISNEY

On May 11, 1991, Nathan Hale opened its doors with a Wonderful World of Disney theme. Games, food, and the unforgettable lip sync were all a part of the annual festivities. For a few years, the various Sophomore classes look forward to their most important fundraiser, which helps in paying for their upcoming events, most notably the Junior-Senior Prom. This year, the Sophomores proved the fest to be a successful one. They added an extra \$3500 to their treasury. CONGRATULATIONS to the Class of '93!!

ARCHITECTURES OF TIME

1990-1991 Industrial Art Club

The 1990-91 Art Club and Industrial Art Club have offered many interesting things for the students at Whiting High School. By selling candy and ceramic Christmas ornaments the Art Club was able to go to the Art Insitute of Chicago and stop for lunch at the 50's & 60's McDonalds.

The Industrial Art Club entered their Victory Bell car into the Homecoming parade. They also won the Yearly Industrial Technology Education Society State Wide Conference Award.

TIME SPENT WITH

Learning about culture, history, customs, and different languages are just some of the many things covered by both the German and the Spanish clubs.

Some of the activities included a few fieldtrips to local restaurants and museums.

The Spanish Club celebrated Cinco de Mayo for the 1st time with the help of Mrs. Klochan. The club members enjoyed the colorful celebration which included the sweet sounds of a mariachi band, the breaking of a pinata, and an abundant cornucopia of Spanish food.

FUTURE BUSINESS LEADERS

This year, FBLA expanded on last year's activities. For the second straight year, the FBLA members had taken a trip to Chicago in order to get more

involved in the stock exchange.

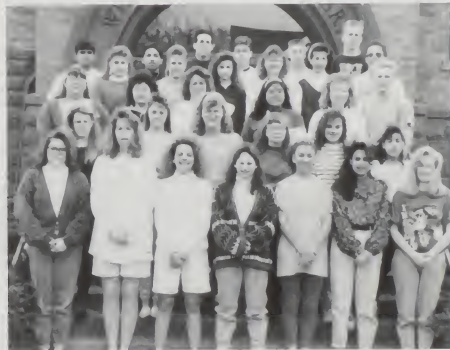

Also, FBLA earned money by adding a new addition to the halls, the "Little Corner Store." Members sell pens, pencils, paper, and

folders along with other school supplies. Students no longer will have an excuse of coming to class without their supplies.

THEY HELP THINGS RUN SMOOTHLY...

Mr. Blake's office door is always open.

A warm Whiting welcome to our new Assistant Principal, Mr. Kolloway.

Keeping track of attendance is one of Mrs. Leyba's activities.

Mrs. Mustafa, a general office secretary, is always willing to help a staff member or student find information.

A general office secretary, as well as the athletic secretary, is Mrs. Carroll.

Mrs. Hoyle is the Reading Coordinator.

Our school nurse is Mrs. Kubacki.

The School City of Whiting's Superintendent is Dr. Novak.

When it comes to keeping our school in good shape, our administration makes it look easy.

The school board, consisting of five members, all work together to come up with different rules, regulations, ideas, and ways to keep improving our school's standards.

Our Superintendent, Dr. Novak, focuses on making sure students receive the best education that our school can offer. Assisting Dr. Novak is Mr. Kountoures, along with the administrative secretaries, Mrs. Kantowski, Mrs. Cooper, and Mrs. Shaner.

Mr. Blake continues to do a fine job as he completes his third year as Principal. He is constantly looking for new and different ways to make our school an even better place. Helping Mr. Blake with his

EXPERIENCE OF A LIFETIME

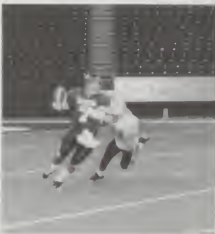

For players not participating in winter and spring sports, January started this year's season. Getting bigger, stronger, and faster were their objectives. Many of the players "cranked it up" in the summer months by attending WHS's first summer gym class. Those players who were unable to take the advanced physical conditioning class took advantage of the open gym and open field hours.

1990 Football Team: (Bottom Row) L. Martinez, R. Godinez, G. Adkins, C. Tornai, J. Allard, R. Roberts, J. Bogs, S. DelReal, M. Baczynski, B. Reel, K. Moynihan, E. Miller (2nd row) G. Renda, T. Joyce, S. Henderson, M. Shrader, J. Verta, C. Davenport, R.

To start off the season, the Oilers gave a dominating show at the River Forest Jamboree. After a season opening loss to River Forest, the team packed it's bags for a road trip. Excitement overwhelmed the team as they voyaged to the Hoosier Dome to participate in the first Annual Regional Classic. The disappointing loss was the only negative part of the trip. "Even though we lost the game, I believe

it was a victory for the school and community. The effort that was made to get the team there was tremendous," were Coach Haydock's comments about the Dome game.

In the only win of the season, Sergio Del Real set a new state record for receiving with a total of 338 yards. A homecoming loss to the rival Clark Pioneers ended the regular season on a sour note.

The first sectional game of the '90 season was unfortunately the team's last. Jimtown took the spirits out of the 13 seniors who had just played in their last high

school football game.

The 1990 season had a disappointing 1-8 record. Almost all of the Oilers' games were played with at least one or more starters out due to injury. All of the home games were played on Saturday afternoons because of the absence of field lights. The lights were removed from the posts for safety reasons.

This year's season gave the Oilers an experience that not many people will ever have. The thrill of playing in the Hoosier Dome will be remembered by fans and players alike.

Lack of experience and communication proved to be a weakness for the Lady Oilers in the early part of the season. Starting out slowly, the team was able to get back on track with teamwork and dedication.

With the new theme of "Think Big", the Oilers had set "Big" ambitions for the season. Going into each game with a "W" in mind carried the Oilers to a winning season of 23-4. championship. For the first year the Oilers held a Round Robin Tournament in which they played three long and tiresome matches before coming out on top with a victory.

During the week of October 14, twelve Lady Oilers had high hopes of a Sectional championship. They practiced hard, trying to iron out all of the mental mistakes that were made during the season. On Saturday, October 20, the Oilers felt they were ready. As the game progressed, the Oilers fought all

The 1991 Oiler basketball team had the first winning season since 1983. Finally breaking the .500 mark, the Oilers ended up with a .682 winning percentage.

Along with four returning lettermen, the team was fueled by three additional Seniors and five Juniors. These additional eight players were all experienced, coming from a Conference Champion J.V. team.

The depth of the team was only a

little larger than the past few years but a lot more helpful. The extra depth helped strengthen the Oilers both in practice and games.

The 12-man squad took their impressive regular season record of 14-6 into the East Chicago Sectional. In the 1st game, Whiting ended arch-rival Clark's season, handing them a loss for the second time this year. The win gave the Oilers the opportunity to play ECC for the sectional championship.

The slow tempo of the game kept the Oilers close but the state ranked Cardinals finally prevailed. The 1991 season was over.

In Conference, the Oilers ended up 3-2. Kevin Moynihan, Eric Miller, and Brian Reel were named to the ILSC team. T.J. Toth and Jason Perz received Honorable Mentions. In addition to the winning conference record, the season's record had an impressive mark of 15-7.

The Oilers winning their first seven games and getting off to a great start, felt this year might be their chance for a conference title. Having only two seniors and one returning underclassman, left the team inexperienced, yet enthusiastic.

The Oilers having their ups and downs, however, managed to beat rival Bishop Noll (49-44). In the Holiday Tournament, the Oilers defeated Clark (49-33) for their first win. Hammond High was the opponent in the championship game. The Oilers during a close game fought back from behind to

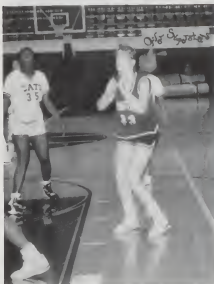

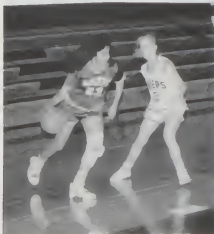

put the game into overtime. For the next three minutes the Oilers, with a struggle to the end, fell short by a score of 41 to 40.

Going into Sectionals with a 12-6 record, the Oilers with high hopes, were hit hard by injuries and illnesses. Working hard and never giving up throughout the game, at last second shot was unfortunately a disappointing outcome for the Lady Oilers.

This year Teri Filipek and Teri Strabavy were named to the All-Conference Team, while Krissy Kryston received Honorable Mention.

Besides having to go through intense practices, many of the wrestlers have to struggle with keeping their weight down, and their grades up.

After overcoming those obstacles, they can now concentrate on the "moves" needed to qualify for regionals.

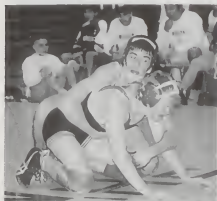

Accomplishing this feat were Ron Perez, Mike Shrader, and Jaime Quiroz.

Along with being named to the All-Conference team, Jaime Quiroz also qualified for Semi-State Competition at Merrillville High School.

This year was truly a season of accomplishments.

This year's Baseball season started off well, but the Oilers hit a slump losing 11 straight games. Winning 4 out of their last 5 games, the Oilers ended their season strong with a record of 10-15-2.

The Oilers reached their first championship game of the IHSAA sectional tournament by defeating

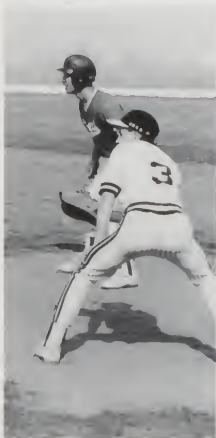

Gavit 10-9 and Bishop Noll 3-2. Their dreams of a sectional title came to an end as the future champs from Munster beat the Oilers 7-2.

The team had 2 players who received honors. Both Kevin Moynihan and Brian Reel were named to the all conference team.

Keeping the runner close, C. Davenport straddles the bag.

"Just settle down" says Mr. Laub.

At the beginning of the Lady Oilers' Softball season, all goals were set. Our two main priorities were working towards what every team strives for: winning the conference and "sweeping" Sectionals. We all knew what was going to have to be put in to achieve these goals. Hours of hard practice... everyday... in sometimes unbearable weather. With the knowledge of this, all players dedicated themselves and the season was underway.

When games began, the Oilers were off to an exploding start, a six

game winning streak, but this came to a halt by the Warriors of a score of 2-1.

As the season progressed, the Oilers struggled through some rough times in losing two Conference games to Morton and Gavit. By losing both games, the team lost the chance of a single Conference title.

This year, Whiting hosted their first Softball Sectionals, which included the teams of Clark, Noll, E.C. Central, and Whiting. In the first game the Oilers defeated E.C. Central by a score of 20-0, which

led the Oilers to the championship game against Bishop Noll. At the end, the Oilers fell short losing 3-1. The Lady Oilers had nothing to hang their heads about, having captured Tri-Champ Conference title and finishing the year off with a winning record of 18-5.

Krissy Krzyston, Suzy Stewart, and Teri Strabavy were named to the all-conference team. Stewart was also named Conference MVP and Teri Filipek Honorable Mention.

With intensity in her eyes, T. Strabavy, hopes to blow this one by her.

BEHIND THE SCENES

How many "kills"? What's my batting average? How many rebounds and "steals" did I have? These are some of the questions that the stat people help answer.

Keeping accurate records, and traveling to the away games are all a part of one's responsibilities. Statisticians play an important role in that their records go straight to

the newspapers, in scholarship applications, etc.... Through thick and thin, these Oilers always manage to help out the various teams.

"Running Our Cans Off"

The Cross Country team was not very successful in term of wins and loses. Although the team consisted of only five runners, we did not lose our enthusiasm and competitive spirit. Unfortunately this is the first year since 1985 we did not field a girls' team.

Coach Daniels said, "I hope that we have a large turnout next year consisting of boys and girls." He also stated, "We will start conditioning early next year."

The team came up with a slogan "Running Our Cans Off." If it holds up, the team will be very successful.

A YEAR IN GOLF

The 1990-1991 Golf Team: Haluska, D. Gibson, (standing) D. Johnson, S. Racine, Coach Angel. (kneeling) R. Roberts, B. Smolen, K. Johnson, S. Racine, Coach Angel.

Mr. Angel's second year as golf coach was more successful than his first. He is proud of the team's improvement. We are all anticipating even bigger victories for next year. The golf MVP this year was Ken Haluska.

D. Johnson is cool enough to hit the ball under any pressure.

Attempting shots from dangerous areas are R. Roberts and B. Smolen.

"Look it's over there," exclaims D. Gibson to K. Haluska.

THE TRADITION LIVES ON

E. Flores and L. Vrabel concentrate on returning the serve.

With perfect form, S. Strabavy executes the serve.

Keeping an eye on the ball, T. Martin knows she has the "perfect pass."

The 1990 J.V. team: (front row) S. Strabavy, L. Vrabel, A. Zajac, T. Martin, (Second row) Coach Knazur, S.

Pishkur, G. Godinez, E. Flores, and C. Jones.

Since the year 1975, when volleyball was first introduced here at Whiting, the Lady Oiler B-squad has compiled a list of never-ending winning seasons. This accomplishment is one that not very many people may know. This year being no different, added to that tradition when the Lady Oilers ended their season with a 15-7 overall record.

Summer came to a quick end when early August rolled around, for it was time for volleyball! Waking up early for 3-hour

practices and intense training, surely paid off for this team. With assistance from Coach Paulette Knazur, the team learned their offense and defense formations, as well as the unforgettable "bumps, sets, and kills." All of this tied together, would prove to teams in the area that these ladies were ready to play!

With a small team this year, the J.V. team throughout the season, proved that they've got what it takes to play the competitive game of volleyball.

Teamwork is on these ladies' minds.

TEAMWORK PULLS B-SQUAD TOGETHER

1990-1991 Lady Oilers (L-R) (Kneeling) C. Jones, A. Zajac, K. Pietsch, L. Rad-

C. Jones is all "FIRED UP!" to play against arch rival Clark.

Junior, K. Pietsch works hard on defense.

A. Zajac shows the crowd she's ready and awake for every game.

Junior, L. Radford displays her offensive skills as she shoots over the defender.

The beginning of the Lady Oilers' season got off to a slow start. With lack of experience, the JV went through some hard times. As the season progressed, teamwork, along with the new coaching of Mrs. Jami Solaja, seemed to pull them together.

This year the Oilers hosted the JV Tournament in which they played Bishop Noll, unfortunately

losing 34-16. During the season, they suffered a heartbreaking one-point loss to the same Warriors. Their conference record was 1-4 with their lone win against Gavitt.

Even though they did not have a good season record wise, the experience will help them in future years.

OILERS FINISH STRONG

The Oilers' season got off to a slow start losing four straight. But as the season progressed, teamwork seemed to have pulled the JV Team together. With a new coach, Stan Surdy, the Oilers ended up

with an overall record of 12-8.

Hosting the Holiday Tournament, the Oilers reached the championship game. Unfortunately, their hopes were dashed when they were defeated by

OILERS ADD IRON TO THE CASE

The 1990-91 Freshman basketball team, under the guidance of their new coach, Ed Hruskocy, had a very successful season. This winning team had an overall record of 11-3. During their season, the Freshman Oilers accomplished the

honor of Co-Conference Champs, which sent them into high spirits for the tournament. Defeating Hammond High in OT put the Oilers in the upcoming championship game.

All the hardwork and dedication

during the season paid off for the Oilers by defeating Bishop Noll 46-44 in the championship game of the Freshman Tournament.

This group of young men made their mark by adding two trophies to our athletic display case.

How would you like to spend a day in the season of a cheerleader? WARNING: If you're answer is yes, then your day will be filled with fun and laughs!! The hot days of July officially mark the beginning of the season. Preparing "hoops," as well as organizing the annual salute to our athletes' parents, are some of the activities during football season.

A memorable event during this year's football season was playing at the Indianapolis Hoosier Dome. While the Oilers fought off the South Central Satellites, the Oiler "rahs" led in cheers and chants along with the fans who traveled to support the team. Unfortunately, the Oilers lost, but that did not stop the cheerleaders from enjoying the weekend. The days after, the

cheerleaders traveled to the famous Union Station. Filled with games and shops, the cheerleaders shared memories never to be forgotten.

When the month of November "rolls" around, football season has ended, but an Oiler "rah's" has not! It's time to begin B-ball season. Again, "hoops" and Parent's night are some of the activities organized during the season. Also, the Oiler "Rowdymen" help the cheerleaders avoid any injuries from stunts that they might experience without the lifters.

In addition to cheering during the B-ball season, the cheerleading squad performs their annual dance. The theme for their routine this year was "Don't You Come Cryin'" by Linear. Competing against rival Clark added to the sensation of the night.

Another special event during the cheerleading season this year was a banner representing all the "Hometown Heroes" stationed in the Persian Gulf. With the banner, the cheerleaders, as well as the school, showed their support for the soldiers.

Led by Mrs. Karen Ratkovich, the 1990-91 squad proved to be well-organized and successful in whatever they planned to accomplish. Also this year, "Mrs. Rat" announced that after two years of dedication, it was time to hang up the megaphone. Although it has only been two years, she's done a tremendous job with the Whiting High cheerleaders, and at this time we'd like to thank her for EVERYTHING. She'll never be forgotten.

In conclusion, not very many may realize the actual "season" of an Oiler cheerleader, but they not only support boys' sports, but also girls' sports and academic activities throughout the school year. Spirit, pride, and enthusiasm are definitely characteristics found in the 1990-91 Oiler squad.

A BLAST OF "SPIRIT"

The J.V. cheerleaders say "Don't hate us because we're beautiful."

C. Tornai helps A. Timko do her stunts.

A PINNACLE OF PERFECTION

As the various athletic seasons begin, student athletes strive to become their very best. Hard work, dedication, and effort are some of the qualities found in Whiting's very own. For Seniors, the stakes

MVP honors in Wrestling went to J. Quiroz, while R. Downen received

are high in gaining MVP and/or All-Conference honors. Freshmen athletes walk through the halls and begin to wonder what will be in store for their Junior and Senior years as future athletes. At the

same time, Seniors reminisce over their past four years in sports and hope to continue as future leaders, whether it be in athletics or careers.

BUSINESS CLASSES...

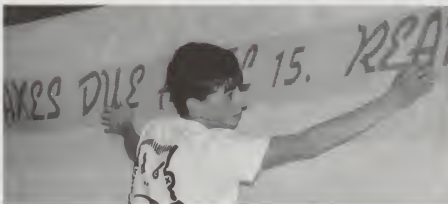

Pointing out a few shorthand symbols is T. Braden.

M. Roman shows that she is a true businesswoman.

Typing teacher Mr. Haydock looks over G. Milcarek's letter.

Preparing the material for a bulletin board is G. Roberts.

Checking to see how much postage will be needed, W. Kellenberger weighs a letter.

L. Clark hangs up a banner informing students about tax deadlines.

INSIGHTS TO THE FUTURE

M. Conover and J. Berquist prepare papers for their business class.

Taking dictation in shorthand are D. Martinez and K. Pietsch.

Taking a look at the business sections are R. Schrum, B. Olsson, and C. Cox.

Preparing students for future business endeavors is the job of the teachers in the business department. Those "business endeavors" may include the stockmarket, accounting, marketing, or secretarial work. Whiting offers various classes that enable students to learn skills that may be applied in everyday tasks or on the job, like shorthand or typing.

There have been a few field trips made to various places of business including the Amoco offices in Chicago.

The business classes are enjoyed by most students who take them. Business classes are different from other classes because they give students a chance to explore and understand what career opportunities are open to them.

Various business skills and techniques aren't the only things offered through our business classes, they also offer an insight to the future.

English: A Tree of Learning

"I wonder if I'll ever be up here?!" asks M. Barrera.

Whiting's answer to Romeo?! Nah, it's M. Valuckis.

Taking Ms. Flaris's place for the day is G. Renda.

The English Department at WHS can be compared in many ways to the lovely aspects of a tree.

Beginning with the "roots" of the department, Ms. Kathy Flaris heads the Staff and its curriculum. Along with the returning teachers, many new "leaves" became a part of the "English Tree." These teachers include Miss Guaccio, Miss McCollister, and Miss Sylvan who lead the various Freshman and Sophomore courses.

The branches of this tree are the many programs offered to the students. Beginning this year were the grade level Honors courses. Although a Senior Honors class has been offered in the past, now each grade level has a chance to experience a more enriched program in Grammar/Literature.

In conclusion, the English curriculum may not be exactly personified as a tree, but in many ways it has resembled it, in that when it is "all grown" it will benefit out lives as well as our society.

C. Gajewski and C. Radford decide who the "real" Shakespeare is.

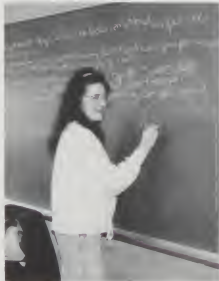

Both M. & L. Meyerhoff have a "whale" of a time in English.

Reciting poetry is a "breeze" for R. Perez.

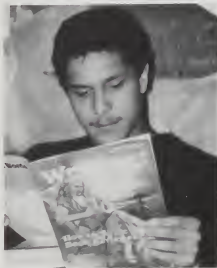

C. Reel "jots" down characters from Romeo and Juliet.

H. Peterson and R. Downen admire the different posters.

These juniors host their own English class.

"Writing isn't so bad!" thinks J. Aguilera.

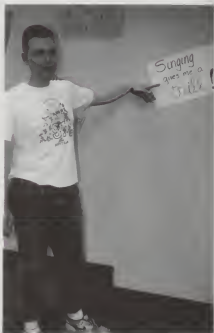

"Smile for the camera!" says R. Shane.

Preparing her clay, J. Ubik gets a rolling start before the rest.
Giving a helping hand, Mrs. Mindas gives D. Dollins suggestions on his work.

Taking a breather, P. Smith and C. Miller get ready for the next song.

Singing gives J. Valius a thrill.
A new synthesizer comes in handy for Miss Cochran.

TIME FOR TALENT

Rehearsing for his last Spring Concert is senior J. Gray.

Glazing his pinch pot for the kiln is J. Thamm.

In deep thought, J. Bogs decides what to do next.

L. Radford sings her favorite song from The Little Mermaid.

Showing his school spirit, senior C. Tornai finishes the school emblem.

Whiting High School is fortunate to have two fine departments that give our Oilers the opportunity to show and develop their talents and interests.

The Art Department gives students the choice of Art Appreciation, Ceramics, Art I, and Advanced Art. In these classes

students are allowed to express their thought through their art creations, such as contour, structure, and texture.

The Music Department took on a new look with the addition of Mr. Kuhntz as the band instructor and Miss Cochran as our new choir director. These new teachers are

going to put new ideas in music classes. Students are able to choose from either Music Appreciation, Chorus or Band to satisfy their music needs.

Both of these classes can help any student who wishes to find their hidden talents.

MORE THAN JUST A LANGUAGE

When the Spanish students first entered their classroom, they were greeted by their new teacher, Mrs. Klochan.

As usual translations and verbs were always taught, but a new treat for all levels were that they got a chance to eat real Mexican food during the hour. Food such as Chimi Changas, Spanish Rice, and Tacos were a few choices that were

cooked.

Also, the third and fourth year students traveled to Thornton Township High School to see the play "Mananas De Abril y Mayo," which was presented in both English and Spanish.

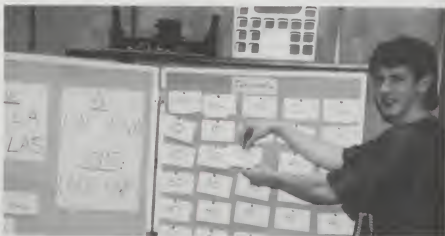

In German classes, most of the time is spent on learning about the culture of the country and its language. Besides learning,

translations, the topic of discussion this year was the German reunification. Students pondered on the past of both East and West Germany. The history and destruction of the Berlin Wall were also brought up.

In conclusion, both classes left their rooms realizing that there is more to a country than its language.

All smiles and no frowns is the fourth year student C. Flores.

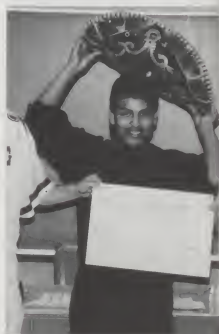

Trying to "scam" off of Alex Trebeck is John "Homeboy" Hanis.

Verbs are a specialty for J. Ryberg and K. Kovacek.

G. Milcarek teaches these youngsters the Spanish language.

E. Valdivia shows us he's "stylin" with his new hat.

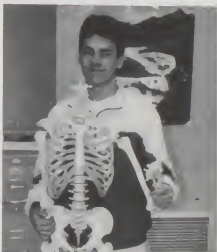

A new experience for both of these students was learning the German language.

Sentence writing is a favorite of P. Brezene and S. Thorpe.

Always studying hard is J. Domsich.

Having a challenging, yet fun game of "Mill" are B. Bush and A. Timko.

J. Gianotti introduces his new found friend to the rest of the German class.

D. Morando wonders what the activities are for May in German.

PAST, PRESENT, AND FUTURE

In the library, K. Gleason works on her report.

Explaining to the class about the problems in the Middle East is J. Jones.

These Senior guys spend the day with the city officials.

Senior, S. Racine shows J. Perz where Indiana is.

Did you know that you'll have to sit through 7 semesters of social studies classes by the time you graduate?

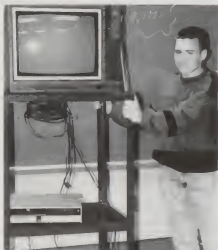

For a freshman, this probably seems impossible. But if you are a senior, you will have already taken: Civics, World History, U.S. History, Government, Economics, and

maybe even Sociology, World Problems, World Geography, or Psychology. If you paid attention to all the movies, film strips, and guest speakers, then at the end of the year you should know everything from ancient history to economics today.

P. Ramos flips to the next scene.

Sophomore, G. Godinez stands in front of her favorite poster.

Keeping up with the events in the world, J. Yurkanin reads a magazine.

Always doing his job, T. Walczak, brings in the T.V.

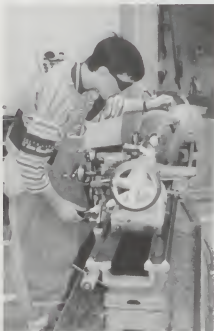

Copying the words, J. Nanista, makes sure he has them all.

Looking through the paper, M. Strabavy hopes to find an interesting article.

PREPARING FOR THE FUTURE!

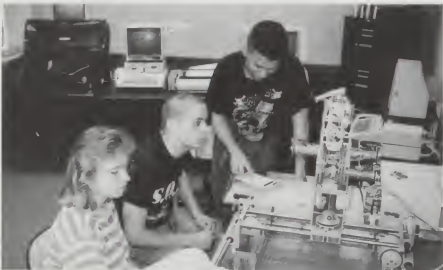

Starting to work on the lathe, B. Reel prepares his piece of metal.

Cutting out her clothing pattern, T. Pupilava gets everything all set.

R. Dybel cuts up in print shop with Mr. Cain.

These Cad Cam students show how team work can mean everything.

B. Smolen and J. Allard show that they know what they are doing.

Preparing for life is what Clothing, Foods, Industrial Arts, and Quest are all about. These classes may not seem difficult, but one does learn many new things.

In Clothing, one learns to cut, sew, and how to follow patterns. In Foods, while not just learning how to cook, one learns how to use cooking utensils and measure-

ments.

Industrial Arts includes Woods, Metals, Drafting, Cad/Cam, and Graphics. In Drafting, students learn to make blue prints which they may use later in Woods and Metals in order to make jewelry boxes, plaques, tools, machine parts, etc.

In Graphics, students become

familiar with the various machines which can be used to print newspapers and magazines. Cad/Cam gives students the opportunity to draw on computers and work with Robotics.

Any one or combination of these classes can help prepare for the future.

Taking care of the little ones, T. Strabavy watches their habits.

Squaring off the letter box, M. Baczynski checks his work.

Putting the final touches on his assignment, T. Joyce finishes the job.

T. Martin gets the finishing touches approved by Mrs. Thrall.

Future architect, J. Delgado, builds his dream house.

SUMMING IT UP

J. Crowley smiles because she knows inscribed angles.

One of the basic necessities needed to succeed after graduation is the knowledge of math. Thus, Whiting High School provides students with the opportunity to choose from classes they feel comfortable with and will use in their future.

Students can choose from basic math, general math, consumer math, informal geometry, and a new class offering Pre-Algebra. The more advanced classes are Algebra I, Geometry, Algebra II, and Senior Math. Because of the abundant use of computers, Whiting offers many computer classes.

With the various math classes offered at WHS, it is no wonder why so many of our students excel in this area.

Showing his skills on the graph, C. Flores draws a line.

Mrs. Wojtyasiak gives W. Bock the right answer.

Always working hard, R. Bejar finds the square root.

Log tables come in handy for Mr. Sorota and K. Haluska.

Helping each other, D. Buehring and K. Keeler compare notes on conics.

Studying the chart, T. Lazur learns about pi.

Ms. Santay helps B. Moskalick with his program.
D. Barsich and K. Rusnak survey tools of the trade.

P.E AND HEALTH:

Figuring out where to hit that birdie, K. Perkovich prepares to serve.

Trying to get the heart pumping, M. Magallanes follows the procedures.

Members of the girls' P.E. class "jump for heart".
Preparing to give another breath into the dummy is R. Espinosa.

J. Butler demonstrates the correct way

FITNESS AND FUN

With the assistance of J. Lawson and D. Laurincik, C. Flores works on perfecting his squatting technique.

R. Godínez hits the ball right before J. Delgado's eyes.

E. Freeman gets ready to serve the ball.

G. Plemmons completes his workout program with the bench press.

In what other classes do you get to participate in playing sports and games and learn things including CPR. Just because PE & health are required classes, that doesn't mean they can't be enjoyable.

PE allows students to break away from the everyday environment of the classroom and move into the gyms or even

outside. Throughout the year, students are able to play sports like volleyball, baseball, softball, and badminton. Again this year, the girls' PE classes participated in the "Jump rope for Heart" to raise money for the American Heart Association.

The name of the class, health, is exactly what students learn about.

Topics covered include various systems of the body and how to take care of them, drugs, and alcohol. Also, students get to learn CPR. After six weeks of preparing, they are tested to see if they can perform CPR in an emergency situation.

M. Barsich prepares to go on a field trip to an Amoco testing site.

As N. Dado looks on, C. Jones has a hair-raising experience.

Putting the finishing touches on her experiment is T. Bartley.

Advanced Chem student, M. Jacusis tries to measure just enough HCl for her experiment.

For those interested in the field of science, there are several different classes to choose from. Among these classes are Physical Science, Life Science, Biology, Chemistry I, Advanced Chemistry, and Physics.

Miss Pomeroy became the new instructor of the Chemistry and Life Science classes. Chemistry students were also taught by a student teacher, Mr. Doughy.

Even though science is a requirement here at Whiting High, the teachers show students that science is a subject everyone can understand and enjoy. The variety of different science classes offered at WHS insures that every student will be able to select a science course one is interested in. Being curious helps the students expand their knowledge, and curiosity is an extra when it comes to the field of science.

Lab partners, S. Milch and E. Flores add chemicals to test tubes to find an

unknown substance.

Science: The State of Knowing

"I need to measure 10 grams," says A. Sandrick.

Seniors, P. Buranosky and K. Haney wonder if they are doing things right.

Learning how to focus his microscope is D. Laurincik.

"Do we really have to dissect this fetal pig?" think A. Davidson and I.

Bartoszuk.

SENIOR PICNIC - 1991

Taking time for a picture is C. Flores and K. Haney.

J. Perz and M. Jacusis sit and watch the softball game.

Senior couple, J. Delgado and H. Peterson, are interviewed for the video.

Will W. Kellenberger and H. Castle make it as back-up dancers/singers?

J. Gray waves "farewell" to his fellow classmates.

Once again the Annual Senior Picnic was held at Whiting Park on Wednesday, June 5, 1991. For the Seniors, this would be the last organized class project before leaving WHS.

Custom Video Service was on hand to tape everything going on. Gina Milcarek and Lupe Martinez were the official interviewers for the

occasion. Browns Catering Co. catered the menu. Softball, dancing, tennis, and frisbee were just a few activities to take part in.

The Senior Picnic is one last time for students to celebrate as high school students. For the Class of '91, the picnic turned out fun as expected. It was one never to be forgotten.

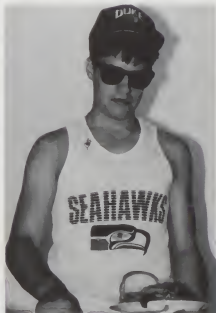

Waiting to play softball are some Senior guys.

These Senior girls know how to have fun.

"Just like when I was little," says P. Buranosky.

Providing some refreshments is S. Racine.

Food for thought, Chris?

"Where is everyone?" thinks G. Stanley.

IDEAL AT TIMES

*Time is not measured
by the passing of hours,
but by what one does,
what one feels,
and what one achieves.*

About to jump with joy is D. Campbell.

The 1991 Salutatorian, D. Gibson.

On June 6, 1991 at 8:00 p.m. the fellow classmates of the class of 1991 entered the Whiting High School Memorial Gymnasium for the last time as students, and left as alumni.

M. Livingston assists S. Corpus before graduation.

With a hand shake of confidence, M. Strabavy receives his diploma from his father.

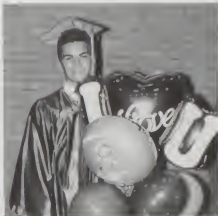

J. Delgado gladly accepts his diploma.

Saying a final farewell are the seniors of 1991.

H. Castle, the 1991 Valedictorian.

R. Chicvara exits the gym with a big smile.

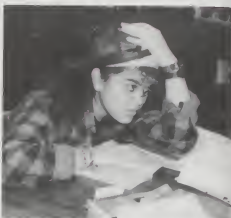

Ready to become alumni are R. Godinez and A. Gonzalez.

Showing off his balloons is R. Roberts.

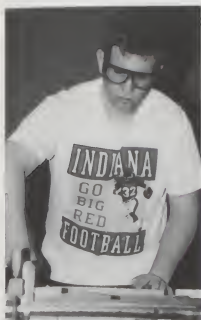

Waiting patiently to receive her diploma is J. Perz.

G. Milcarek receives a yellow rose from the class sponsor Mr. Adkins.

REFLECTING...

BACK IN TIME

TIME TO END...

As the final school bell rang on June 6, 1991, the hallways of Whiting began to clear out. For underclassmen that final bell meant summer vacation and one year closer to graduation. For the Seniors, it meant closing the chapter on their past four years in high school. Graduation was the beginning of the next chapter-the road to future achievement.

Looking back one can see the achievements and memories created. Volleyball, basketball, and baseball games, Homecoming dance and Prom, and Sophomore FunFest all contributed in making the 1990-1991 school year remembered as the "Best of Times!"

ACKNOWLEDGEMENTS

Trying to summarize an entire school year into a 160-page book is a huge task to accomplish. Flipping through this yearbook, we feel that our 15-member REFLECTOR staff had accomplished just that. Meeting deadlines, finding pictures, and writing copy were some things we had to face. Many times the computers were being used, a cropper couldn't be found, or pictures were not taken yet. Along with all this, the staff also had to sometimes (but not often) deal with our temper and grouchiness. Somehow, through all this, a yearbook to be proud of was finished and put into the hands of the students.

Besides the staff, three other people contributed to the making of the 1991 REFLECTOR. Thanks goes out to Mr. Lovasko for help with team and club pictures along with taking the class mug-shots. We want to especially thank Susan Taylor, our Herff Jones Representative, for all the help, advice, and the "Toostie Roll Pops." Most of all we want to say Thank You to Mr. Laub. He spent extra hours checking and correcting lay-outs to make sure we met deadlines. His advisement and dedication helped make another yearbook the best possible. THANK YOU!! We want to express our appreciation for all the teachers that allowed any staff member out of their class to work on one's lay-out. Thanks to you, also!

Finally, thanks to our entire staff for their extra effort and dedication in putting such a collection of memories as we do every year. THANK YOU!!! Good luck next year! Congratulations

1991 REFLECTOR Staff

on a job well done. Thank you all for proving this year was "The Best Of Times!"

Co-editors, H. Castle and R Chicvara, battle over who will deliver the first '91 REFLECTOR.

the 1990s, the number of people in the UK who are aged 65 and over has increased by 1.5 million, and the number of people aged 75 and over has increased by 1.2 million (Office for National Statistics 1999). The number of people aged 85 and over has increased by 0.5 million.

There is a growing awareness of the need to develop services to meet the needs of the ageing population. The Department of Health (1999) has published a strategy for ageing, which sets out the government's commitment to improve the lives of older people. The strategy is based on the following principles:

- Older people should be able to live independently and actively in their own homes.
- Older people should be able to access the services and support they need to live well.
- Older people should be able to participate in the decisions that affect their lives.

The strategy also sets out a number of key objectives, including: to improve the health and well-being of older people; to improve the quality of life of older people; to improve the opportunities for older people to participate in society; and to improve the support and services available to older people.

The strategy is a key document for the development of services for older people. It provides a framework for the development of services and for the evaluation of services. It also provides a basis for the development of policies and for the implementation of policies.
